

Celebrating Taekwondo Day all together!

September 4

Taekwondo Day is held every year on September 4 to bring our global Taekwondo Family together in celebration of our sport and all that it brings to society, on and off the mat.

It is celebrated on September 4 in commemoration of the IOC's decision on that date in 1994 to include Taekwondo on the Sydney 2000 Olympic program – a historic milestone which has seen Taekwondo feature at every Games since.

This year's Taekwondo Day is particularly special as it falls on the 50th anniversary of the founding of World Taekwondo as an international Olympic sport federation.

To mark this special occasion we are calling on all our members to join us in promoting and sharing the joy of Taekwondo across their digital and social media channels!

On the World Taekwondo website you can download social media graphic designs that you can customise as you wish to join our Taekwondo Family's celebration! **Click to download here.**
